

VIKING EVENTS

Monthly Newsletter from Barr-Reeve Primary & Elementary

From the Principal's Desk

I hope everyone had an enjoyable and relaxing Spring Break. It's hard to believe that we have less than 40 days of school remaining! We have many activities to complete as we enter the last leg of our 2017-18 school year. **These last few days are just as important as the first days of school**, so please remind your child to continue to make good choices, work hard and try his/her best. Learning is still happening every day!

The Elementary Math Bowl Team competed at Griffith Elementary on Thursday, Feb. 22. These students practiced after school to prepare for this event. They answered many challenging questions at the competition, and we are proud of their hard work! Special thanks to Ms. Nicole Lengacher for coaching the team and Mrs. Remington Graber for helping as a proctor. Ms. Lengacher is looking for strong math students for next year's team.

Members of the 2017-18 team are: Hannah Bledsoe, Faith Fuhs, Marissa Knepp, Jayla Wagler, Brynna Knepp, Olivia Emmons, Andrea Stoll, Kianna Knepp, Janelle Lengacher, Stephen Knepp, Grayden Corbin, Hayden Wagler, Brylee Fuhrman, Meredith Bean, Mattilyn Bryan, Emily Ash, Adam Wagler, Isaac Knepp, Wesley

Our first eLearning Day will be Saturday, April 7. Elementary students will receive their work for the eLearning Day on Friday, April 6. The assignments need to be completed and submitted by Wednesday, April 11. Students **DO NOT** attend school on Sat., April 7. Teachers will send home more information about how they can be reached if you have questions regarding the eLearning assignments.

We have our last round of 2018 ISTEP+ testing during the weeks of April 23-37. Classroom teachers will be sending home a testing schedule in the near future. By now you all know the drill...avoid scheduling appointments during these school days, encourage plenty of rest, and provide a healthy breakfast! Your help and support have a positive impact!

Camp Invention is coming to Barr-Reeve Elementary. Camp Invention is one week in the summer where your child's creativity, innovation and problem-solving skills are challenged and developed in fun and exciting ways. **Camp Invention will be at Barr-Reeve Community Schools during the week of June 18th-22nd from 9:00 a.m. to 3:30 p.m.** Camp Invention is available for children currently enrolled in K-5. If you have any further questions please email Cory Rayhill at crayhill@barr.k12.in.us or visit <http://ow.ly/7zpG30iU2JZ> to register.

calendar.

Update Your Info

Update your contact information by logging into your Harmony 3 Family Access account and updating your demographic information or call (812) 486-3224 or (812) 486-3235.

Why is everyone so tired on April 1?
Because they've just finished a long 31 day March!

**BRCS is committed to changing lives by
cultivating dreams, capturing experiences, and building potential.**
